

● Résoudre des problèmes portant sur les quantités

Il y a six chiens, il faut donner à chacun une niche, une laisse, un os, une balle et une gamelle. Barre ceux qui sont en trop

							
							
							
							
							

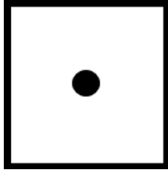

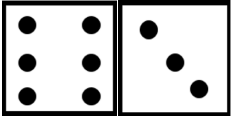

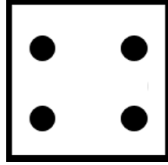

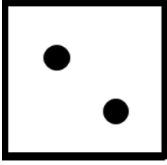

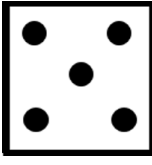

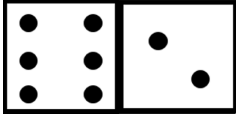

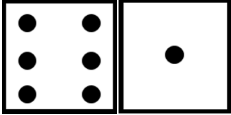

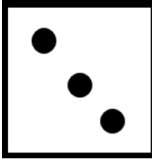

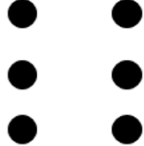

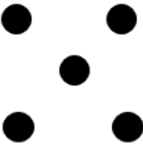

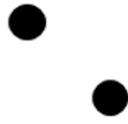

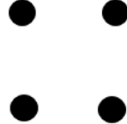

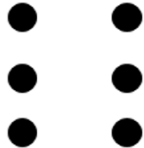

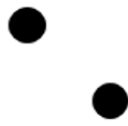

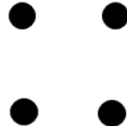

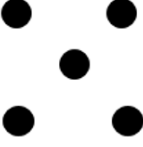

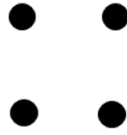

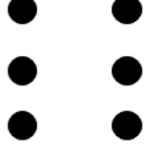

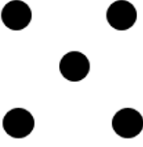

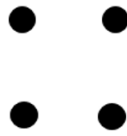

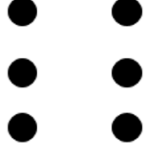

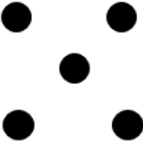

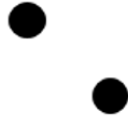

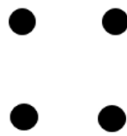

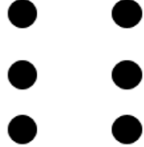

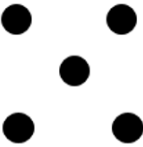

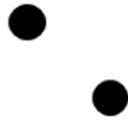

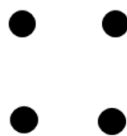

● Complément à six : Dans chaque case, colle le dé qui convient pour faire **6**

		
		3
5	2	4

● Complément à dix : Dans chaque case, colle le dé ou le nombre qui convient pour faire **10**

		
		
		
6	3	9
5	2	1
4	7	8
